

# Automatic Project and RFP Bid Notifications

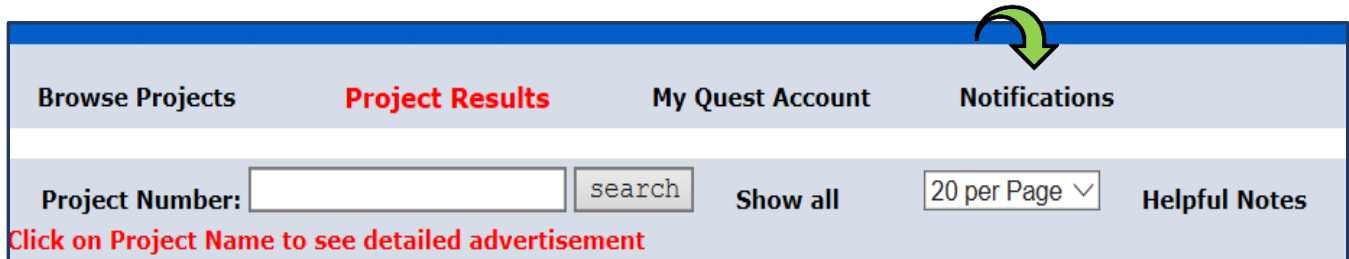

We are pleased to announce that our bid management software provider, the Quest CDN, has created a project/RFP bid notification system now available for bidder's use.

Sincerely,

Robert E. Lee & Associates, Inc.

[www.releeinc.com](http://www.releeinc.com)

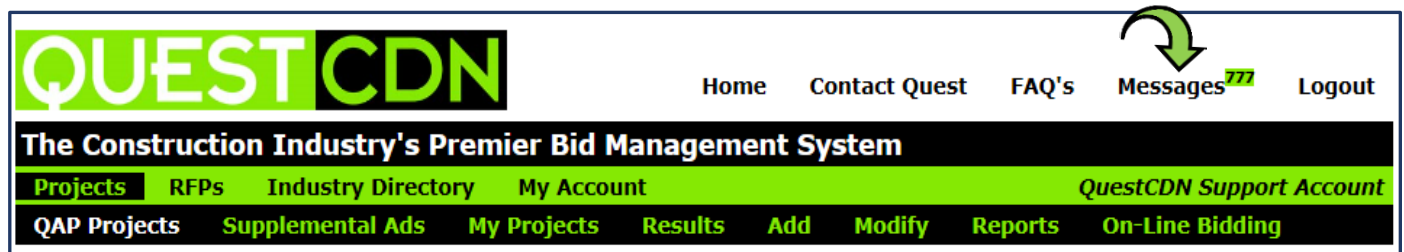

1. Click on the above link to **Robert E. Lee & Associates** website.
2. **Select the "BID LIST" link on the first page** to be brought to our projects page.
3. Click on Notifications.

4. Sign into your QuestCDN account with your QuestCDN User Name and Password.
  - a. If you do not have a QuestCDN account, click the **JOIN** link for a free membership.
5. In the Notifications window, click on **Yes** to receive bid notifications.

6. Notification of new projects will be sent to your **QuestCDN Message Center**. If you have not logged into your QuestCDN account to view your messages, an email notification will be sent notifying you that there are messages in the Message Center that have not been viewed.

# Example messages from QuestCDN Message Center

Email Notification – You have new messages in the [QuestCDN Message Center](#)

Dear QuestCDN Member

There are new messages available. Go to your Quest Private Message Center for viewing.

Member Number: 4290972  
Company Name: Quest Construction Data Network, LLC - SK

Cordially,

The QuestCDN team
